

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 12, 1998 LB 989, 1120A, 1152, 1266, 1362

CLERK: Mr. President, thank you. Judiciary Committee reports (LB) 1266 to General File with amendments. Senator Will has amendments to (LB) 989; Senator Wehrbein to.... And a new A bill, (LB) 1120A by Senator Wickersham. (Read LB 1120A by title for the first time.) That's all that I have, Mr. President.

SENATOR WILL: Thank you, Mr. Clerk. We now return to LB 1152. I have a speaking order that was on the board when we went to (LB) 1362 at 10:30. And Senator Janssen, now you are recognized. (Laughter)

SENATOR JANSSEN: Thank you, Mr. President, members of the Legislature. Could you tell me exactly what bill we are on right now, Mr. President?

SENATOR WILL: Senator Janssen, we're all on LB 1152, introduced by Senator Schmitt, and we're on the committee amendments, an amendment offered to those by Senator Schmitt, AM3438.

SENATOR JANSSEN: Thank you. I believe I'm all right now. Now, Senator Schellpeper.

SENATOR WILL: Senator Schellpeper, will you respond?

SENATOR JANSSEN: Being we're on the right track now, Senator Schellpeper, and you will not be confused on the questions I'm going to ask you now about this bill, does your bill in any way demand or force a county to zone?

SENATOR SCHELLPEPER: Nobody can hear me, which is probably what...they don't want to hear me anyway. No, my bill does not stop any county from doing any zoning that they want to. The only thing my bill does, says if you're going to interim zone, you will do it in a businesslike approach. That's the only thing we do.

SENATOR JANSSEN: And that, meaning that you would go ahead and adopt a comprehensive plan...

SENATOR SCHELLPEPER: Right.
